

**Key to Symbols**

Each annotation is comprised of a symbol and a label. The symbol indicates the location or extent of a fault condition. The label includes a fault code describing the condition, and if applicable, a severity code and Photo ID number. The example below describes a crack, between 1/16 and 1/8" in width, documented in Photo N2A:

**Key to Fault Codes**

Conditions	Symbols	Fault Codes	Severity Codes
Cracks		Crk Crack (single unit) Jt Joint Crack System UJ Unit/Joint Crack System	Width in 1/16" increments: .5 Hairline to 1/32 inch 1 1/32 to 1/16 inch 2 1/16 to 1/8 inch
Displacement		Hor Horizontal	Displacement in 1/8" increments: 1 0 to 1/8 inch 2 1/8 to 1/4 inch
Joints		MsM Missing Mortar	
Replacement Brick			
Failed Repair			
Spalls		M=Missing R=Removed	Area of spall in square inches
